Donate To Our Auction!

WE LOVE LOCAL AND WE KNOW YOU DO, TOO!

FEBRUARY 14 - MARCH 19

Donate a silent auction item valued at \$50 and up and send an image and/or gift certificate to the Chamber (by email or we can pick it up) before **FEBRUARY 10**. It will then be put on our 32auctions.com event, where we will promote you and your business. Donations over \$200 will be featured in our online auction too, and will appear first at the top.

What's in it for you? In return for your donation, we will announce your item and produce a dedicated social media post celebrating you and your business.

THANK YOU FOR YOUR DONATION!

MUSKOKA LAKES
CHAMBER OF COMMERCE

This is the first fundraiser the Chamber has run in 6 years to help raise funds for Chamber programs to help Members. Through the pandemic, we focused all funds directly on supporting Member businesses and non-profit organizations. Now we need to refill the coffers so we can continue to produce networking events, learning workshops and more.
